On a Carnival vacation there are a million ways to have fun!

You will begin your cruise adventure when you arrive in Miami! On Saturday you will set sail from the port of Miami for 7 days of fun. The Liberty is a magnificent floating resort full of activities to fill your days & nights. There are pools to lounge around while soaking up the sun. How about an afternoon art show, or maybe a BINGO game is more to your liking. You could pamper yourself with a spa treatment, a massage, or a sauna treatment; it's all-available for your pleasure.

In the evenings you can attend the famous Carnival shows in the main showroom. Singers, dancers, magicians, comedians and much more, will entertain you. There are lounges where you can just sit back and enjoy the music, take a spin on the dance floor, try some karaoke, or sing along at the piano bar lounge. Oh what to do! Of course you could always try your luck in the casino, which offers many table games and slots to choose from. Don't forget all the great food that will be waiting for you! A wide variety of dining options await, the Lido Deck buffet, 24 hour pizzeria, reservation only supper club, delis, unlimited ice cream & yogurt, the main dining room and of course room service! It is sometimes hard to decide exactly what to eat, but there is something for everyone.

Ports of Call offer you many options for tours to learn about the history of the area. You could spend time soaking up the sun at any of the beautiful beaches you will find. Of course you could always go shopping! There are many wonderful buys to be discovered if shopping is what you enjoy doing. Just don't forget to haggle with the vendors they expect it.

On the two days at sea there will be square & round dancing for your enjoyment. These dances will be casual dress, so no packing all those extra items. It will leave you more room for souvenirs!

You can participate in as many of the shipboard activities that you would like or maybe just doing nothing is your plan. Whatever you do you will be making vacation memories that will last for years to come!

**Join Tom, Mike & Phyllis for a
fun filled week**
